

## **STATEMENT OF CIRCUMSTANCES – 2025/2026**

La Casa Del Formaggio will enter into an Exclusive or Non Exclusive Milk Agreement with Dairy Farmers who comply with the following circumstances.

### **MILK CATCHMENT AREA**

A dairy farm located within a 150km of the La Casa Del Formaggio processing factory in Edinburgh, South Australia.

### **CIRCUMSTANCES**

- Holds a current Dairy Licence.
- Can demonstrate compliance with legislation in relation to milk production.
- Can demonstrate compliance with the quality standards outlined in the La Casa Del Formaggio Milk Management Policy which forms part of the Milk Supply Agreement.
- Can demonstrate a commitment to work health and safety.
- Is able to provide safe and efficient tanker access.
- Has the capacity to supply an annual volume greater than 1,000,000 litres.
- Has the ability to supply milk below 250,000 somatic cells count and 10,000 total plate count.
- Has the capacity to supply a minimum milk collection of 2,000 litres per pickup (skip a day).
- At the time the farmer offers to enter into the agreement, La Casa Del Formaggio has not already entered into sufficient milk supply agreements to meet its demand for milk.
